4.  
64

NOTES

This volume contains 64 pages. The large sections of newspapers have only been given one page number to assign their place in the series since pages are numbered. Some items are out of normal chronological sequence due to the fact that they were already mounted on backing sheets.

Pagination and table of contents were added by J. Barr, Arizona State Museum Library Nov. 19, 1968.

*See addenda, Archives folder A-438, for additional  
clippings*
