

DAVID L. SHAUL
A Contrastive Analysis of
Yaqui, Spanish and English
With Reference to
The Viewpoint of Yaqui
1978

This folder contains a draft manuscript of a paper written for the Tempe (Arizona) School District. It includes material on theoretical considerations, lexicon, phonology, vowel and consonant systems and clusters, stress and intonation patterns, orthography, grammar, the categories of gender, number and case, simple clauses, and a Yaqui-English word list. (typescript with pencil and ink notes and changes) 141s

This folder contains 141s.

Table of contents and pagination in red added by J. Reis, Arizona State Museum Library, June 25, 1979.
