What is being attempted,  
I don't say achieved  
in Portals - City of  
performed, thorough,  
democracy. Not merely  
Committee of people who  
vote. Not a passive  
democracy. We mean  
the participation of the people  
in the City of their life.  
A creative democracy.

With a lot of cruel  
limitations, many of which  
we cannot do away  
with. All life in face of  
frustration, etc.

Just as true of steps <sup>as</sup>

Ought to welcome the

another thing. If in confinement of

you hear all kinds of rumors,  
FBI, Co. agents, etc.

By Court - If facts in our jurisdiction,  
if even not, in case of habeas  
Hosanna?

45 - Deadly weapon. Since no  
complaints filed. Called this  
morning with 2 boys. LA  
72 hour - limit on suspicion.

38 - Complaints

45 - No complaints filed. Should  
have been filed Monday  
morning.

38 - Here in the prison. The  
people - several visits -  
wouldn't like some trial here.  
we have to give them  
reasonable consideration.  
or will not be satisfied.  
People will figure this  
way. They would like to have

in thing, if in then you'd  
would like have a hand in  
dispensing justice.

Gene - I wonder if I may  
interview. Meeting on  
after P.D. large group  
gathered outside. I would  
a little talk - asking them  
to dispense + trust the P.D.  
my head to see that  
justice is done + further  
trust the Prof. Court. will  
to do job for which equipped.  
That special didn't have  
desired effort. Didn't succeed.  
Had a further talk.  
Agreed reasonable way to do  
to further commit to make  
them want to know. You  
in ref. would make  
rec. to P.D. You  
question to ask you to  
receive further

One of principal reasons  
is that 2 long had one  
to be taken by FBI agency.  
I called them & they believe  
will not take agency  
before your departure or  
before Monday. Be it  
now stands!

Wish gentlemen in to  
ask you to come.

Very quickly getting in  
of that kind can be signed  
the better for you all.

Wish along those lines &  
if you can put this  
in order.

gangsters. That's all. See  
we were & here is how it  
happened. Wade was doing  
a beautiful job. Dribbling  
our little things, jumping  
back & forth this way &  
that. Then about 7:30  
he suggests he get some  
supper. Kintan said they  
weren't getting supper, but to  
wait until it was  
settled. Then Wade came  
over & all of a sudden

said "I guess we agree on  
everything". It was all  
over. I think Brighton  
was happy about it.

Only way I can figure  
it is her ambition.  
He asked "Red" "How we  
stand together on holding  
the man. How will it  
look a few years  
from now?" He was  
afraid of the future. Why  
else? Red told me that,  
that's all I see put  
together.

We never argued over  
the 3ly were never in  
contact to them. I did  
change to say my  
say on employment. That's  
all.

been calling me a socialist.  
Alright from now on I'm  
going to say if a man  
makes \$5 a day he gets  
\$5 a day. I'm there.  
I'm going to play along  
with them.~~

~~Math took me in hall  
after labor party & said

End of semester.

Mrs. Higgins: Good things  
out of this experience. One  
is that our children  
will not have the  
hate that people on  
the outside are going  
to have, that is being  
lined up in them. We are  
not getting that hatred of  
race or personal hatred,  
which will make it  
easier for them to adjust  
after the war.

step will be to limit

re-assigned. Zimmerman  
& Rosoff both in favor

re-hiring them. Talking
